Driving the HLF initiative for succeeding its vision and its mission

VISION

Be recognized as **THE international forum**
of **Leading Innovation Ecosystems**

MISSION

Promote **Innovation** through **Collaboration**
between Leading Innovation Ecosystems
to provide **added value**
to the **Ecosystems** and **Humanity**

During the year 2018, the HLF Executive meeting :

1. Was **meeting 6 times** in Tel Conf since the HLF2017
2. Has set-up **new rules** for the Delegation composition (min 3 Members, max 8, good mix) and the registration process (Password)
3. Has enriched the **program** of the HLF2018 with several new features (*see details*)
4. Has extended the **international coverage** of the Forum
5. Has helped to find valuable **Speakers**
6. Has validated the location and the theme of the **HLF2019**
